CUSTOM-FIT TOOLING

MOIL GUIDES

SPARES PROGRAM

The finest mining equipment in the world, with over **60 years** of experience.

Magnetic moil guide.

Chain sling lifting a mill liner plate.

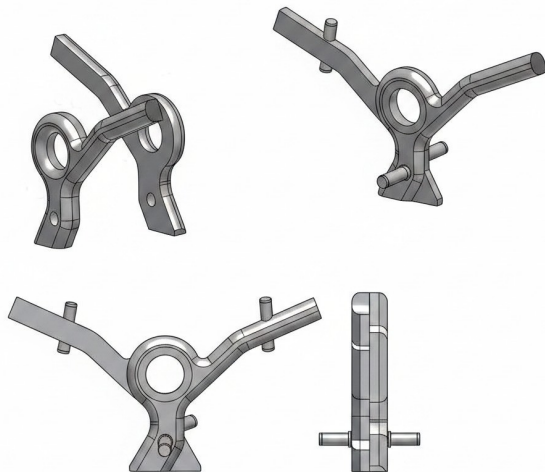

SERVING THE INDUSTRY SINCE 1966

AMERICAN-MADE
EXCELLENCE

ANCILLARY SUPPORT TOOLS

SUPPORT TOOLING & SPARE PARTS FOR MILL RELINING.

Liner lifting scissors assembly, multiple views.

CORE SUPPORT TOOLS

1 LINER LIFTING SCISSORS

Designed to the liner's weight and bolt-hole profile for safe removal of worn-out mill liners.

2 LINER LIFTING CHAIN SLINGS

Connect to the manipulator's D-ring to lift worn liners and set them on the dolly cart for transport out of the mill.

3 PULP LINER FIXTURES

Purpose-built fixtures sized to each liner design for secure, repeatable handling.

4 MAGNETIC MOIL GUIDES

Magnet-and-handle guide aligns the Bolt Buster moil with liner bolts for safer, more accurate knock-out.

SPARES AVAILABILITY

START-UP SPARES

Recommended parts on hand to get new equipment running from day one.

2-YEAR SPARES

Consumable and wear parts sized to two years of normal duty cycles.

CAPITAL SPARES

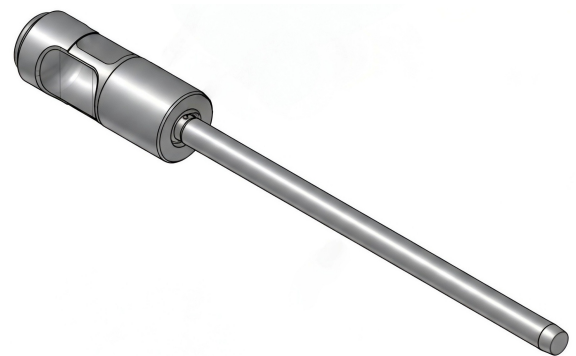

Long-lead components kept on hand to minimize unplanned downtime.

THE MCLELLAN ADVANTAGE

- Every scissor, sling, and fixture is engineered to the liner's weight and bolt-hole profile – not sold off a shelf.
- Magnetic moil guides keep techs' hands clear of the bolt line for safer, faster knock-out.
- One phone call covers tools, spares, and the machines that run them, available for all mill relining equipment.

Chain sling and hook lifting a mill liner plate.

Moil rod and handle assembly.

COMPLETE DESIGN, FABRICATION, & FIELD SERVICE SUPPORT

ENGINEERING AND R&D SPECIALISTS AVAILABLE

Manufactures & dealers of:

Liner lifting scissors & chain slings · Magnetic moil guides · Pulp liner fixtures · Custom mill support tooling

Spares programs:

Commissioning & start-up spares · 2-year operational/consumable spares · Critical & capital spares · Custom fixture design

Parts & equipment:

Replacement wear parts & rigging hardware · New and used mining support equipment · Complete line of mining support equipment
