

SERVICE TRUCK**CLASSIC LUBER**★ **THE LIFELINE** ★

The mid-size workhorse of the McLellan lube fleet — full mobile refueling, chassis lubrication, and preventative maintenance built for demanding job sites.

**MOBILE REFUELING****MOBILE MAINTENANCE****CHASSIS LUBRICANTS**

The finest off-road support equipment in the world— backed by **over 60 years** of experience.

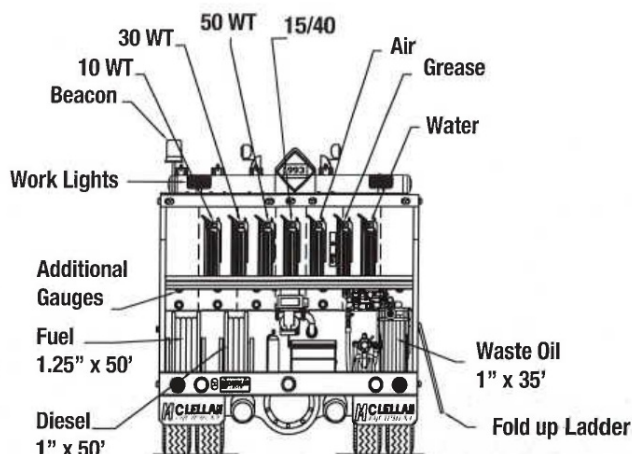

SERVING THE INDUSTRY SINCE 1966

**AMERICAN-MADE**
EXCELLENCE

CLASSIC LUBER TRUCK

BRING THE REFUELING STATION TO THE JOB SITE.

MCLELLAN CLASSIC LUBER CONFIGURATION

1 SIX OIL COMPARTMENTS

Six 75-gallon oil tanks plus a 70-gallon hydraulic reservoir keep every fluid organized, contained, and ready to deploy.

2 HYDRAULIC-DRIVEN PUMPS & COMPRESSOR

Runs off the truck's hydraulic system for reliable fuel, air, and grease delivery in the field.

3 HEAVY-DUTY REWIND HOSE REELS

Hydraulic rewind grease reel with 90' hose, plus dedicated fuel and diesel hose runs, keep hoses protected and job-site ready.

4 SIGHT GAUGES & GAUGE PANEL

Oil tank sight gauges and a full gauge panel give techs a clear read on every fluid level at a glance.

THE MCLELLAN ADVANTAGE

- Hydraulically powered McLellan reels prevent injury and strain from pulling hose.
- Specifications engineered by McLellan to your needs ensure proper vehicle maintenance.

STANDARD

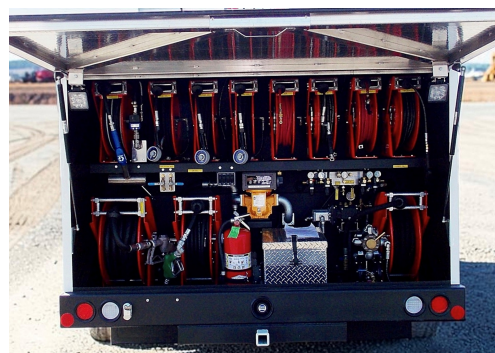

- Medium Luber, 1000-1200 gallon capacity
- Single or multi-compartment fuel tank
- Cross tank
- 40" deck
- Six (6) 75-gallon oil tanks
- 70-gallon hydraulic reservoir
- Cab controls
- Four (4) McLellan heavy-duty hydraulic product pumps
- McLellan heavy-duty hose reels
- 75:1 air grease pump and reel
- Air and water systems
- Hydraulic-driven 1.5" fuel pump @ 50 GPM
- Hydraulic-driven 30 CFM air compressor
- Two (2) 48"x24"x24" tool/filter boxes (polished aluminum diamond plate)
- Fuel meter, 40-60 GPM
- (6) LED work lights
- Amber strobe light, driver's side rear
- Waste oil system - loads and unloads
- Used oil filter receptacle
- Hydraulic rewind grease reel w/ 90' hose
- Oil tank sight gauges
- D.O.T. LED stop/turn brake lights
- One-color paint

OPTIONAL

- Heavy- or medium-duty air pumps
- 70-120 GPM diesel meter
- In-line fuel filter
- Roll-up or swing-up doors
- Wheel skirts
- D.O.T. 406
- After-frame extension
- LED lighting package
- Bottom load system
- Vapor recovery system, Phase 1 & 2 (inquire)
- High-pressure wash system, incl. tank
- DEF system (custom size) tank & hose reel
- Cross tank boxes, 24"x21"x24"
- Compressor box combo, 35"x35"x24"
- Extra product pump and reel
- Hydraulic rewind product reels
- Digital end-of-hose oil meters
- Hydraulic-driven grease pump
- 2" diesel pump (in lieu of 1.5")
- Fuelcom or Wiggins fast-fuel nozzle
- Grease barrel/cover w/ heating coils

Compressor & pump bank, diamond-plate rear door.

Reel bank - diesel, oils, grease & water hose stations.

COMPLETE REFURBISHING, REPAIR, & MACHINE SHOP FACILITIES

SPARE PARTS AND R&D SPECIALISTS AVAILABLE

Manufactures & dealers of:

Water trucks · Fuel trucks · Fuel/lube combination trucks · Mechanics trucks · Water distribution valves

Systems & supplies:

Automatic fueling systems · Complete line of fuel, oil, and water reels · 100% hydraulic oil pumps · All types of fuel/water hose and fittings · Water tanks

Parts & equipment:

Nozzles (oil, water & fuel) · Water truck pump and engine kits · New and used diesel trucks · PermaSlat tank supports · Complete line of lubrication equipment
