

SERVICE TRUCK**LUBER LIGHT**★ **THE FIELD RUNNER** ★

A compact, truck-mounted fuel and lube unit – just the essentials your crew needs to keep equipment serviced, scaled to the route you run.

**MOBILE REFUELING****MOBILE MAINTENANCE****FARM & RANCH**

The finest off-road support equipment in the world— backed by **over 60 years** of experience.

Same essentials on a smaller chassis – the Luber Light is built to the size of the job.

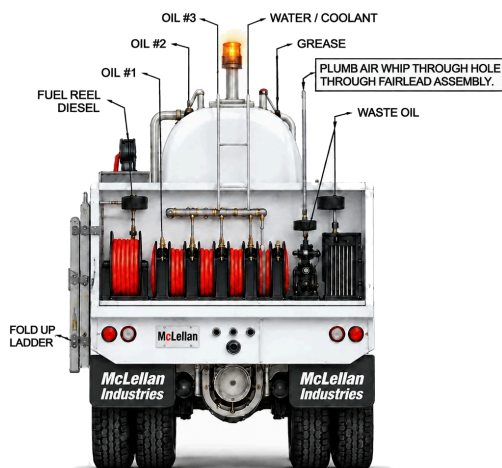

SERVING THE INDUSTRY SINCE 1966

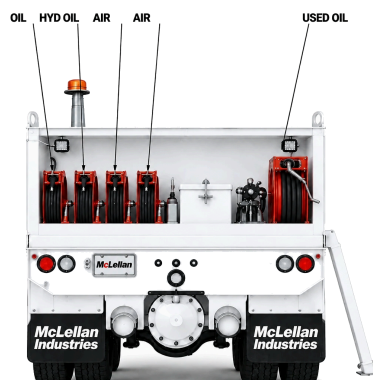

**AMERICAN-MADE**
EXCELLENCE

LUBER LIGHT TRUCK

ESSENTIAL FUEL & LUBE SERVICE, TRUCK-MOUNTED.

FULL BUILD

COMPACT BUILD

Example configuration – fully customizable to your spec.

TRUCK CONFIGURATION

- 1 CHASSIS-MOUNTED SERVICE BODY**
Chassis-mounted lube/service body sized for tighter routes and smaller crews – no trailer to tow or unhook.
- 2 CORE PRODUCT COMPARTMENTS**
A multi-compartment product tank with used oil fittings keeps oils and waste separated and ready to deploy.
- 3 AIR-DRIVEN PRODUCT PUMPS**
Air-driven oil pumps on an Econo air manifold run the product systems. A full hydraulic system is available when you want it.
- 4 MCLELLAN SPRING REWIND REELS**
Spring rewind reels on oil, diesel, air and used oil keep hose controlled and site-ready.

THE MCLELLAN ADVANTAGE

- Scales to the route you run – tank size, chassis and reel count matched to your equipment.
- A no-frills build gets fuel and lube to the field at a price scaled to the job, with the same McLellan reel and tank quality as the rest of the lube fleet.

STANDARD

- 475–1,000 gal. fuel tank, 1–3 compartment, 16" D.O.T. lid
- 210–500 gal. product tank, 3–5 compartment, 70–75 gal. heads
- Econo or beavertail deck, 96" x 144"–172"
- Reel compartment, 96" x 39" x 36", alum. D/P
- (2)–(4) oil systems – air-driven pump, 1/2" x 50' spring reel
- 1" diesel system – air-driven pump, 1" x 50' reel & nozzle
- Used oil retrieval & dump – 1" x 35' reel
- Air delivery – 23–30 CFM, 3/8" x 50' reel & chuck
- Cab control panel, hot shift PTO, filter drain box
- (6) LED work lights, amber strobe, D.O.T. LED lights
- Western bumper, access ladders, safety kit

OPTIONAL

- Hydraulic system – 40 gal. reservoir w/ cooler
- Gasoline system – 100 gal. tank, meter & 10-micron filter
- DEF system – 50 gal. poly tank, SS air pump
- Grease system – pump & spring reel
- Diesel meters (981 round) – red & clear
- 10 gal. stainless water tank, gravity feed
- 30 gal. air tank
- Drawer set – (5) 3" drawers, 30" x 16"
- 2" receiver hitch, bed liner, PermaSlat
- Custom paint / decal package

Fuel, oil & water hose reels.

A compact build scaled up with a larger fuel tank.

COMPLETE REFURBISHING, REPAIR, & MACHINE SHOP FACILITIES

SPARE PARTS AND R&D SPECIALISTS AVAILABLE

Manufactures & dealers of:

Water trucks · Fuel trucks · Fuel/lube combination trucks · Mechanics trucks · Hook-lift skids

Systems & supplies:

Automatic fueling systems · Complete line of fuel, oil, and water reels · 100% hydraulic oil pumps · All types of fuel/water hose and fittings · Water tanks

Parts & equipment:

Nozzles (oil, water & fuel) · Water truck pump and engine kits · New and used diesel trucks · PermaSlat tank supports · Complete line of lubrication equipment
