MINE-SITE

LUBE TRUCK

★ THE SUPPLY TRAIN ★

Built to keep the mine site running — mobile refueling, chassis lubrication, and preventative maintenance for the biggest equipment in the pit.

MOBILE REFUELING | MOBILE MAINTENANCE | CHASSIS LUBRICANTS

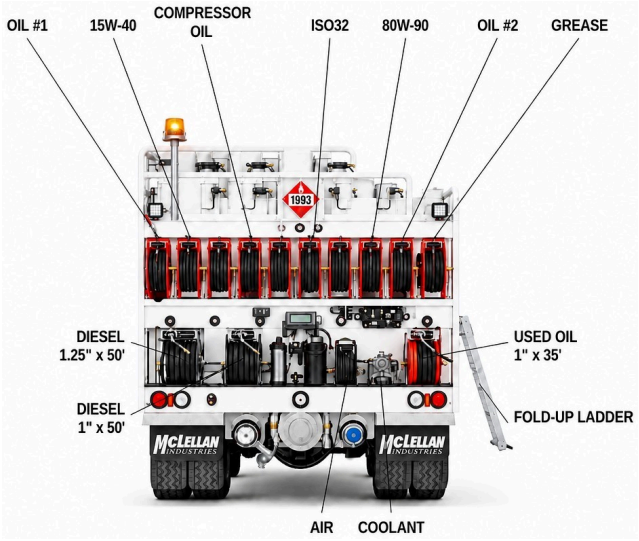

The finest off-road support equipment in the world— backed by **over 60 years** of experience.

MINE-SITE LUBE TRUCK

BRING THE REFUELING STATION TO THE JOB SITE.

Example configuration — fully customizable to your spec.

MCLELLAN MINING LUBE TRUCK CONFIGURATION

1. **UP TO 14 PRODUCT OIL TANKS**
   Dedicated tanks for fuel, oils, grease, coolant and waste oil keep every fluid organized, contained, and ready to deploy.
2. **HYDRAULIC-DRIVEN PUMPS & COMPRESSOR**
   Runs off the truck's hydraulic system for reliable fuel, air, and grease delivery in the field.
3. **HEAVY-DUTY REWIND HOSE REELS**
   Hydraulic rewind grease reel, plus spring or hydraulic rewind reels for fuel and product oils, keep hoses protected and job-site ready.
4. **SIGHT GAUGES & GAUGE PANEL**
   Oil tank sight gauges and a full gauge panel give techs a clear read on every fluid level at a glance.

THE MCLELLAN ADVANTAGE

– Hydraulically powered McLellan reels prevent injury and strain from pulling hose.
– Specifications engineered by McLellan to your needs ensure proper vehicle maintenance.

STANDARD

- 1,400–5,300 gallon fuel tank, 22–34.5 GPI · multi-compartment fuel tank available
- Hydraulically driven system
- Independent fuel tank and cross tank hold down system
- Diesel fuel system with meter
- Up to six (6) oil delivery systems
- Used oil retrieval system
- Oil filter drain box integrated into used oil system
- Water/antifreeze system w/ reel, pump & coolant retrieval/dump
- Air delivery system – 30 or 60 CFM hyd.-driven compressor
- Cab control panel
- Customizable tool boxes
- Backup alarm, fire extinguisher, & safety decals
- McLellan heavy-duty product reels
- McLellan hydraulic rewind reels
- Swing door, roll-up door, and 'K' back rears available
- All electrical lighting enclosed in wiring harness
- LED stop, tail, turn, and reverse lights
- Up to six (6) LED work lights
- Leaf spring mounting system
- Tank sight gauges
- Tool boxes

OPTIONAL

- Roll up doors
- Pressurized and sealed rear compartment
- 140-gallon or two-compartment grease tank
- Desiccant moisture filter
- Quick fill access for product oils and fuel (located in boot)
- High-pressure product oil meters
- Water tank
- High flow fuel system with 1.5" hose, meter, hydraulic rewind reel, and 2" nozzle
- Side access ladders

COMPLETE REFURBISHING, REPAIR, & MACHINE SHOP FACILITIES

SPARE PARTS AND R&D SPECIALISTS AVAILABLE

Manufactures & dealers of:
Water trucks · Fuel trucks · Fuel/lube combination trucks · Mechanics trucks · Water distribution valves

Systems & supplies:
Automatic fueling systems · Complete line of fuel, oil, and water reels · 100% hydraulic oil pumps · All types of fuel/water hose and fittings · Water tanks

Parts & equipment:
Nozzles (oil, water & fuel) · Water truck pump and engine kits · New and used diesel trucks · PermaSlat tank supports · Complete line of lubrication equipment
